**2017-2018 MEMBERSHIP CAMPAIGN**

Dear Majestic Patron,

Guess what I love most about attending a show or film at the Majestic? Talking to you and other patrons after the performance to learn what touched you, surprised you, made you laugh or cry or filled your soul with wonder. The arts are fundamental to our humanity. The arts

ennoble and inspire us – fostering creativity, goodness, and beauty. The arts bring us joy, help us express our values, and build bridges of understanding across different points of view. The arts also are a fundamental component of healthy communities, strengthening them socially, educationally, and economically – benefits that persist even during difficult social and economic times.

The value of what the Majestic contributes to the quality of life in Adams County is priceless, but operating a first-class theater is an expensive proposition. Because the Majestic cannot earn its entire annual operating budget through ticket sales, it relies on tax-deductible donations from its patrons to balance its books. Your personal support combined with Gettysburg College's generous annual subsidy allows the Majestic to operate with a balanced budget. As chair of the national League of Historic American Theatres, I know this mutually beneficial partnership between the Greater Adams County Community and Gettysburg College is the envy of small town theaters everywhere.

Please help me protect this valuable community treasure by making a generous membership pledge today. You have my word of honor, 100% of your tax deductible membership contribution will go to support the annual operations of the Majestic Theater.
